

Mouldings

hardwood

Selection of hardwood mouldings used for different purposes. Especially for **do-it-yourself works**.

Profiles on demand can be produced (2000 meters are required). Special shapes or special colours can be delivered on request.

A wide selection of dimensions is available: 35x20 mm (**art. 35x20**), 35x10 (**art. 35x10**), 10x10 mm (**art. 10x10**).

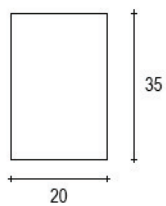

FINISHING: fir unpainted.
